

Thanks to our donors and volunteers!

Making a difference in Bluewater and across Canada in 2017.

Our services:

- are available to patients, caregivers, healthcare professionals, human resource staff, union stewards, employers and the general public
- provide general information (not medical advice) and support for all types of cancer, and at all stages
- are tailored to individual needs and can be available in many languages
- are offered in communities across Ontario, including Bluewater (Grey Bruce) and Collingwood

Cancer Information Service provided answers to questions about all types of cancer and many other cancer-related topics to 354 local people through our confidential, toll-free line at 1-888-939-3333. Information is also available online 24/7 at www.cancer.ca.

Peer Support Service Local people diagnosed with cancer, or their caregivers, were connected to volunteers who've had cancer or cared for a loved one with cancer. Bluewater has local Peer Support volunteers helping people across Canada.

CancerConnection.ca provides 24/7 support from an online community of people living with cancer and their family and friends. In Ontario more than **20,000** patients, caregivers, survivors and their families connected last year.

Wheels of Hope **94** volunteer drivers travelled **503,371** kms to provide **3,847** safe rides to cancer-related appointments for **371 local** people diagnosed with cancer.

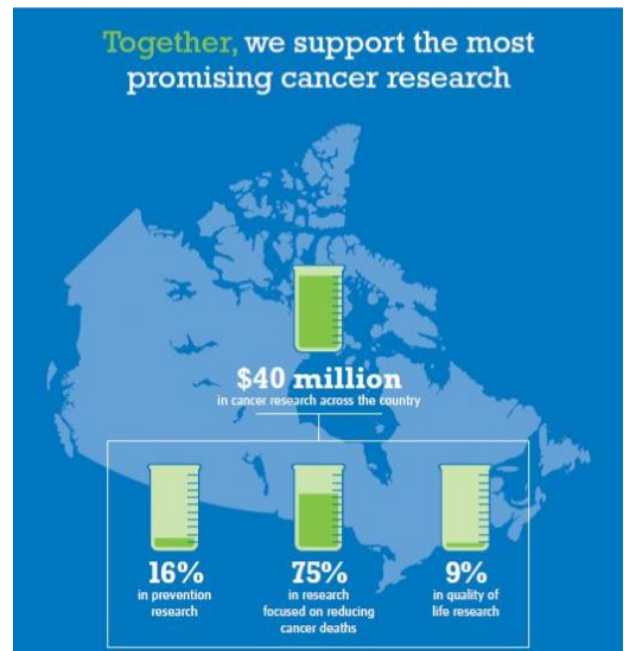

Smokers' Helpline offered support, advice and information to **52** local people about quitting tobacco use. A further **75** local people registered for the First Week Challenge program. Toll-free 1-877-513-5333 or www.smokershelpline.ca.

Brochures and booklets on prevention, treatment and support are available for download from cancer.ca cancer.ca/publications, or can be ordered through our toll-free number 1-888-939-3333.

Cancer.ca offers up-to-date and credible information about many types of cancer and cancer-related information from prevention to end-of-life issues.
